Standards. Sat, 08 Dec 2018 08:14:00 GMT Ethical Principles of Psychologists and Code of Conduct - At the core, these ethical principles stress the need to (a) do good (known as beneficence) and (b) do no harm (known as non-maleficence). In practice, these ethical principles mean that as a researcher, ... Sat, 08 Dec 2018 21:14:00 GMT Principles of research ethics | LÃ¼rd Dissertation - The Do No Harm framework is an approach that is highly compatible with community-based participatory processes and may in fact help strengthen local capacities for peace, in the process of using it. The underlying concepts of the Do No Harm framework are relatively easy to grasp (this can be done in a one-to two-day workshop). Thu, 06 Dec 2018 22:21:00 GMT Do No Harm â€™ Conflict Sensitivity - Ethical principles provide a generalized framework within which particular ethical dilemmas may be analyzed. As we will see later in this module, these principles can provide guidance in resolving ethical issues that codes of ethics may not necessarily provide. ETHICAL PRINCIPLES - School of Education - Syracuse University - The UHI Ethical Policy is intended to ensure adherence to the Nolan Principles, and the Ethical Standards in Public Life etc. (Scotland) Act

2000 and should be read in the context of UHIâ€™s Data Research Ethics Framework - uhi.ac.uk -
